ARMOUR PLATES ARE VULCANISED – THEY CAN NEVER FALL OUT

THE ARMOUR PLATE INSERTED INTO THE GASKET IS A CRUCIAL ELEMENT IN THE PERFORMANCE OF A REPAIR CLAMP, AS IT PROVIDES THE FULL CIRCUMFERENCE SEALING CAPABILITY OF THE REPAIR CLAMP.

LOCKING WASHER PLATE: T316 stainless steel. Locks into position for easy tightening of nuts.

BOLT RECEIVERS: T316 stainless steel, MIG welded to receiver bar and fully passivated.* Leading edge is rounded to permit locking washer plate to slide into position easily.

SHELL: T316 stainless steel.

BOLTS: T316 stainless steel, thread rolled for strength. Teflon** coated to prevent galling. Bolts are MIG welded to receiver bar and are fully passivated.*

NUTS: T316 stainless steel.

RECEIVER BARS: T316 stainless steel, TIG welded to shell to form a strong fusion, and fully passivated.*

GASKET: Made to ASTM D 2240 the rubber is specially formulated for water service and has antioxidant/antiozonant agents to increase shelf life.

ARMOUR: T316 stainless steel, heavy gauge, vulcanised into gasket to provide a perfect fit and to prevent it from ever falling out.

Wrap clamp around pipe. Bring together using locking washer plate.

Lock in place. Squeeze the lugs together and spin the nuts down.

Tighten the nuts evenly with a wrench – no rotating is necessary.

NYLON CABLE TIES

Black weather resistant nylon 6/6 material.

TERMS AND CONDITIONS OF SALE

1 EXCLUSION OF BUYER'S TERMS

- 1.1 It is expressly acknowledged and agreed that these terms operate to the exclusion of all and any terms and conditions issued by the Buyer whether before or after the date these conditions of sale come into effect.

2 ORDERS AND PERFORMANCE

- 2.1 The Company may make its acceptance of an order conditional upon a satisfactory credit assessment of the Buyer.
2.2 Unless otherwise agreed orders must be confirmed in writing and either mailed, couriered, or faxed.
2.3 The Company will use its best endeavours to fulfill accepted orders and comply with any requested or estimated date for delivery but time will not be of the essence in this regard and if the Company's ability to fulfill an accepted order is affected by circumstances or events beyond its control the Company may:
- (a) extend the date for delivery;
 - (b) with the Buyer's approval, alter the specifications for the goods to allow the substitution of equivalent goods; or
 - (c) cancel the order without liability for breach.

- 2.4 The Company's policy is one of constant improvement and therefore changes of specifications and performance data may be made by the Company without notice and without incurring liability to the Buyer.

3 PRICE

- 3.1 Prices charged for goods will be according to a Current Quotation for those goods. Otherwise they will be determined by the Company by reference to its standard prices in effect at the date of Delivery (whether notified to the Buyer or not and regardless of any prices contained in the order). The Company will use its best endeavours to notify the Buyer of price changes but bears no liability in this regard.
3.2 Unless specifically indicated, prices in quotation or elsewhere do not include insurance, special packing, delivery or tax.
3.3 Any reference to resale prices contained in the Company's standard price lists or other documents (if any) are recommended resale prices only and there is no obligation on the Buyer to comply with these recommendations.
3.4 Prices shown in the Company's price list are exclusive of GST unless otherwise stated and GST, where applicable, will be charged in accordance with current legislation.

- 3.5 The Buyer will be liable for all applicable taxes to the extent that they are not already included in the price.

4 DELIVERY AND PACKING

- 4.1 Unless otherwise agreed, goods sold to the Buyer shall be supplied ex the Company's premises, and FOB.
4.2 Unless otherwise agreed, prices include standard packing by the Company and any special packing will be to the Buyer's account.

5 PAYMENT

- 5.1 Terms of payment by the Buyer will be by net cash in exchange for goods; for Buyers fulfilling the Company's credit requirements - net cash within 30 days from the end of the month in which the invoice was issued; or otherwise as agreed in writing.
5.2 The Company will provide an invoice to the Buyer who will pay the invoice in full within the time specified.
5.3 All payments to the Company will be made without set-off, deduction or counterclaim.
5.4 If the Buyer fails to pay the invoice in full to the Company when due, the Company will be entitled (without prejudice to any other right or remedy it may have) to:
- (a) cancel or suspend any further delivery to the Buyer under any order; and
 - (b) charge the Buyer interest on the overdue amount at the rate of 15% p.a. from the date of invoice to the date of full and final payment (irrespective of whether the date of payment is before or after any judgment or award in respect of the overdue amount).
 - (c) Charge to the Buyer all third party costs incurred in demanding and recovery of payments due or recovery of goods.
 - (d) to enter the buyer's premises or the delivery site (or the premises of any associated Company or agent where the Goods are located) without liability for trespass or any resulting damage and retake possession of the goods.

6 CLAIMS

- 6.1 Any claim by the Buyer for incorrect orders, shortages, overcharges and the like will only be considered by the Company if made in writing and forwarded within 14 days of the date of the invoice to the Company's claims department.
6.2 Any claims by the Buyer for goods lost or damaged in transit following Delivery should be made to the relevant carrier or transport authority and unless otherwise agreed the Company is not responsible for such loss or damage.
6.3 Return of goods to the Company by the Buyer may only be made if the Company has agreed to that return and all such returns will be subject to a 15% handling charge with freight costs and risk remaining the responsibility of the Buyer, subject always to clause 8.

7 INSURANCE, RISK AND PROPERTY

- 7.1 Unless otherwise agreed, goods are not insured by the Company.
7.2 Title to all the goods delivered by the Company to the Buyer remains with the Company and does not pass to the Buyer until the Buyer pays all monies due for all goods supplied in cleared funds, regardless of whether certain goods have already been paid for by the Buyer.
7.3 If the Buyer pays a portion of an amount due to the Company for goods delivered to them, the Company retains all title to those goods until the Buyer makes full payment for the goods.
7.4 If the Buyer enters into an agreement for the bona fide sale to a third party for a portion of goods delivered by the Company to the Buyer, title only passes to the Buyer in respect of the goods that the third party is purchasing. Title to the remaining goods not purchased by the third party remains with the company until the Buyer has complied with clause 7.2.

8 WARRANTIES

- 8.1 All goods are warranted to the level provided by the manufacturer, the period commencing from the date of invoice by this Company to its customers. The return of goods shall be at the customer's expense and the Company reserves the right to repair or replace goods under warranty claim.
8.2 To the fullest extent permitted by law the Company will not be liable to the Buyer for loss of profit or other economic loss; direct, indirect or consequential loss; special, general or other damages; or other expenses or costs arising out of any breach of the Contract or any common law duty (including negligence) by the Company, its agents or employees.

9 OTHER ITEMS

- 9.1 The Company will be entitled to off set against any monies owing to the Buyer amounts owed to the Company by the Buyer under the Contract or on any other account.

10 MISCELLANEOUS

- 10.1 Each party acknowledges and agrees that:
- (a) the Contract represents the entire agreement between the parties and supersedes all previous agreements;
 - (b) it has not entered into the Contract in reliance on, or as a result of any statement or conduct of any kind (including without limitation, any representation, warranty, advice or undertaking);
 - (c) all conditions, warranties or other terms implied by statute or common law are excluded to the fullest extent permitted by law;
 - (d) the Contract may only be amended by agreement in writing.

11 DEFINITIONS AND INTERPRETATION

In these Conditions of Sale the following terms have the following meanings unless the context requires otherwise:

'Buyer' means a person from whom the Company accepts an order for goods.

'Contract' means the agreement constituted by the Company's acceptance of the Buyer's order and includes these Conditions of Sale.

'Delivery' means delivery of any goods to the Buyer or to a carrier arranged by the Buyer or the Company at the Buyer's request.

'Tax' means any tax, levy, charge or duty imposed by any governmental entity or authority (including, without limitation, GST and customs duty) on or in relation to goods sold to the Buyer (excluding taxes on the company's income and capital gains).

'Company' is that entity, the name of which appears on the face of the relevant invoice.

12 LEGAL JURISDICTION

These terms and conditions shall be governed by the laws of the State of Queensland notwithstanding the place in which the goods or any of them are to be delivered. The Customer submits to the exclusive Jurisdiction of the Courts of the State of Queensland.
